

Durango, Colorado

Colorado's Public Liberal Arts & Sciences College featuring the professional schools of Business Administration and Teacher Education

- ◆ Four Colorado Professors of the Year, more than any other college or university in the state.
- ◆ Five CCHE Programs of Excellence, more than any other small college in Colorado. These include Anthropology, Biology, Chemistry, Teacher Education and the Center of Southwest Studies.
- ◆ The Office of Extended Studies offers exciting, diverse, high-quality programs that will encourage and satisfy your personal and professional life.
- ◆ Online and correspondence courses in Anthropology, Business, Philosophy, Political Science and Southwest Studies.
- ◆ The School of Business Administration, the Colorado Center for Tourism Research, and the Extended Studies Program offer an online course curriculum in travel and tourism. Completion of all courses in the curriculum leads to a certificate in travel planning.
